Summary

As a skilled Shopify Developer, I bring a wealth of experience in designing, developing, and maintaining e-commerce websites on the Shopify platform. With a strong background in front-end and back-end development, I have successfully implemented custom themes, created responsive layouts, and optimized website performance to enhance the user experience. My proficiency in liquid templating, HTML, CSS, Bootstrap, PHP, JavaScript and JQuery, coupled with a deep understanding of Shopify's API and app integration capabilities, allows me to build robust and scalable online stores.
